## ANNUAL STATISTICS OF THE CHURCHES

The statistics are collected by the Registrars of the conferences and compiled in the office of the Year Book Dept. of the General Council. They are of date of January 1, 1960, and cover the year 1959. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. Money received in any national, district or state office to and including January 10th is credited to the preceding year unless otherwise requested. Persons noting errors are earnestly requested to report the same to the Registrars of the conferences.

In the following pages each church is listed under the Conference or Convention in which it is enrolled. These Conferences and Conventions do not always follow state lines. If you have difficulty in locating statistics for a particular church, consult the geographical index and look there for the state in which the church is located. This index lists each page of the Year Book on which churches in that state appear.

The tables are *not a postal guide*. For full names and addresses of ministers refer to alphabetical lists in the back of the book. Names of church clerks, Sunday School superintendents, church treasurers, treasurers of benevolences and chairmen of boards of trustees and deacons, are on file in state offices, as are also certain other data.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in heavy type. If this postal word is an adjective it goes with the preceding name, e.g., Newton, West, signifying West Newton.

**Abbreviations in schedule headings are:**

"Ord." — Ordained

"C." — Confession

"Cld." — Called

"Ab." — Absentee

**Reference marks are used as follows:***y* Pastor serves more than one church. (See list of yoked churches in Conference Summary.)*i* Pastor installed by Council

† Contribution amounts to less than 50 cents

*r* Pastor recognized by Council

\* Value of church property includes parsonage

*c* Church School membership includes Cradle Roll

★ Per Capita (based on total membership) paid in full by church

*x* Includes cost of new buildings or improvements

— No answer can be given

A pastor's name italicized signifies that he is not in full standing as a Congregational Christian minister, nor a denominational licentiate, nor an approved lay preacher, nor a candidate in care of a local association.

¶ When a church has made no report, figures from the previous Year Book are inserted for Total and Absent Members, Average Attendance, Church School and Young People's Organizations, Home Expense and Property Value and marked with ¶ before Total in Members' Column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

† Where a Congregational Christian church and an Evangelical and Reformed church have come together to form one church in the United Church of Christ (U.C.C.), a dagger (†) is used before the figures for members, apportionment (OCWM), and other gifts (non Cong. Chr.), to indicate that these figures are reported on a ratio basis and are actually for Congregational Christian members, apportionment and other gifts only.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Church School, choir and parish. An *x* before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended will be given at the end of each conference schedule.

The Woman's Gift is included in the apportionment columns of each state. The apportionment figures in the schedules are those reported by the state treasurers.

The Summaries give important data by conferences in Table I, and national data by years in Table II. Other items appear in the Supplementary Summary. Additional totals appear in footings of conference schedules.

**For last minute revisions see page following Ministers in Full Standing list.**

**Send change of address and pastorate to your Conference and to the Year Book Dept. of The General Council, 287 Fourth Ave., New York 10, N. Y.**

## TWENTY-ONE QUESTIONS AND ANSWERS ABOUT CONGREGATIONAL CHRISTIAN BENEVOLENCES

### 1. WHAT IS INCLUDED IN THE TERM DENOMINATIONAL "BENEVOLENCES"?

All gifts (from churches, church schools, young people's societies, missionary societies, other organizations in the church and from individuals) for the work of the denomination as represented by the Conference, American Board of Commissioners for Foreign Missions, Board of Home Missions, Annuity Fund, Council for Social Action, and the Congregational Christian Service Committee.

### 2. HOW ARE CHURCH BENEVOLENCES REPORTED?

As Our Christian World Mission: Regular Apportionment for Conferences and Boards, including Authorized Specials. And as Other Gifts: *a* to Congregational Enterprises; *b* to non-Congregational Christian Enterprises.

### 3. WHAT IS APPORTIONMENT?

The several Congregational Christian organizations make up their budgets for the year, anticipating estimated receipts. These budgets, collectively, are known as the apportionment. All Gifts from individuals or from organizations for the regular budgets of the organizations sharing in the apportionment plan, are credited to Apportionment, Gifts to authorized specials being included.

### 4. WHAT ARE AUTHORIZED SPECIALS?

Gifts, whether from individuals or from organizations of the church for objects specifically authorized by the directors of a Board, organization or Conference, intended to meet approved needs outside the regular budgeted work, are known as authorized specials and receive apportionment credit.

### 5. WHAT ARE "OTHER GIFTS"?

Gifts whether from individuals or from organizations for work outside the regular budgets and the authorized appeals of the organizations and conferences, such, for example, as "The Christmas Fund" of the Board of Home Missions, Ministerial Relief Division, are known as "other gifts". Gifts to particular persons or institutions for improvement, extension of work, scholarships and personal needs not specifically authorized by the directors of a Board or Conference are also in this category. "Other Gifts" may be reported to the State office and credited to the church, in the Year Book, in the column "Other Gifts".

### 6. WHAT IS THE APPORTIONMENT REPORT FOR EACH CHURCH?

The amount which a church, its organizations and members contribute to the regular budgets and Authorized Specials of the Conference and National Boards as reported annually in the Congregational Christian Year Book.

### 7. WHAT IS THE APPORTIONMENT GOAL FOR EACH CHURCH?

After the Boards and societies adopt their budgets for the year the Missions Council recommends that each Conference or Convention assume its proportionate share of the total. In turn each Conference or Convention breaks down its recommended goal according to the estimated strength of each church. When a Conference or Convention does not suggest an apportionment goal for each church, the Conference Committee on Our Christian World Mission or Stewardship and Missionary Education frequently recommends a goal on the basis of the national average.

### 8. HOW IS THIS APPORTIONMENT OBTAINED?

Through pledges. Through budgeting by the church. Through special contributions.

### 9. WHAT SHOULD THE CHURCH TREASURER DO WITH APPORTIONMENT MONEY?

He should send it to the Conference or Convention or district headquarters at regular intervals, monthly or quarterly.

### 10. WHY IS THE MONEY SENT TO THE CONFERENCE OR CONVENTION OFFICE RATHER THAN DIRECT TO THE SOCIETIES?

Because these offices keep the church-by-church records of apportionment giving and are responsible for the annual report for the Year Book.

### 11. WHAT IS THE APPORTIONMENT YEAR?

The calendar year with ten days grace allowed. All remittances should be in the Conference, Convention or district office before January 10th.

### 12. WHEN FORWARDING MONEY TO THE CONFERENCE OR CONVENTION OFFICE IS IT NECESSARY TO DESIGNATE PARTICULAR SOCIETIES?

Only when the donor or the church desires to make such designations, otherwise, the Conference or the Convention office will divide the remittance on the basis set by the Conference or Convention. If a church desires its contribution divided on a different basis, it should so direct and its instructions will be followed.

**13. WHAT ARE DESIGNATED GIFTS?**

Gifts specified for a particular organization or purpose. The Conference or Convention office should be advised of the designation. Credit is given as "apportionment" or "Other Gifts" depending upon the object designated by the donor. (See paragraph 3 above.)

**14. WHAT INFORMATION SHOULD BE GIVEN REGARDING DESIGNATED GIFTS?**

(1) The amount; (2) for what organization or "special"; (3) the name of the individual or organization making the gift; and (4) to whom receipt is to be sent; also (5) whether or not apportionment credit is desired for what local church.

**15. WHAT HAPPENS WHEN GIFTS ARE SENT DIRECTLY TO THE BOARDS AND AGENCIES FOR THEIR REGULAR BUDGETS?**

The national organization reports these gifts back to the Conference or Convention office and if the church has been mentioned, credit is given. If no church is named, credit is given to the Conference or Convention under "Gifts" — church undesignated!.

**16. WHAT BECOMES OF APPORTIONMENT CONTRIBUTIONS AFTER REACHING THE CONFERENCE OFFICE?**

The Superintendent or Treasurer transfers to the Conference Convention treasury for Conference or Convention work the percentage as determined by the Conference or Convention. The balance is divided among the national boards according to the percentages adopted by the Conference or Convention.

**17. WHAT IS THE RECOMMENDED DIVISION OF UNDESIGNATED APPORTIONMENT?**

While the percentages retained for Conference or Convention work differ, for the Boards, the division recommended by the Executive Committee of the General Council for apportionment, is at present as follows:

American Board of Commissioners for Foreign Missions.....	40%
The Board of Home Missions of the Congregational and Christian Churches, including.....	40%
The Annuity Fund for Congregational Ministers	
Council for Social Action.....	6%
The Congregational Christian Service Committee, Inc.....	14%

**18. FROM WHAT SOURCES IS THE INCOME OF THE BOARDS?**

- Contributions
- Legacies and Matured Conditional Gifts
- Income from Investments
- Miscellaneous

(These last three categories often nearly equal the contributions of living donors and in the case of the Board of Home Missions greatly exceed them.)

**19. HOW ARE CONTRIBUTIONS TO THE BOARDS AND AGENCIES USED?**

In brief, to support and promote Our Christian World Mission, which enables your denominational organizations to carry on both at home and abroad: —

*the up-building of the life of the church through enlisting, training and refreshing its leaders; giving aid to the establishment of new churches;*

*the communication of the Gospel to those outside the life of the churches — i.e. evangelism through many media;*

*the penetration of the surrounding culture with Christian ideals of a responsible society, Christian action in the common life for the overcoming of race and class tensions.*

Specifically: it founds new churches at home and abroad and assists those already established in time of special need; it promotes a full educational program for local churches; it provides livelihood for aged ministers and widows of ministers; it operates and undergirls schools and colleges at home and abroad carrying on a program of Christian higher education and a broad Christian ministry to students in colleges and universities; it carries on other related enterprises on behalf of the churches too numerous to recount here. It does these and other things to *establish the Kingdom of Christ* at home and abroad.

**20. WHAT IS THE WORK OF THE CONGREGATIONAL CHRISTIAN SERVICE COMMITTEE?**

This organization has a two-fold function. The first is distributing to Relief and Reconstruction projects the contribution from the One Great Hour of Sharing and from the 14% of the regular church contributions. These projects include Church World Service, The Inter-Church Aid Program of the World Council of Churches, The Emergency Program of the Board of Home Missions, and the Chaplaincy Service of the General Council and other similar projects. Its second function is that of operating eight Service projects in different countries of Europe and Asia. It also receives and forwards gifts designated for the American Bible Society, American McCall Association, United States Conference for the World Council of Churches, Heifer Project, Meals for Millions, College Cevenol, CARE, CROP and Share Our Surplus, Pearl Harbor Memorial Church, and HELP. Apportionment credit is given for such gifts.

**21. WHERE CAN A CHURCH SECURE FURTHER INFORMATION ABOUT OUR CHRISTIAN WORLD MISSION?**

From its Conference or Convention office, or from the Missions Council, 287 Park Avenue South, New York 10, New York; 14 Beacon Street, Boston 8, Massachusetts or 19 South La Salle Street, Chicago 3, Illinois.

## VOTES BY EXECUTIVE COMMITTEE

On January 31, 1958 the Executive Committee adopted the following two votes:

"*VOTED*: That the Conferences and Conventions shall be requested to advise the churches in connection with the 1958 solicitation of the per capita or fellowship dues in the churches of the desire and intention of the General Council to use a portion of such funds and the funds of ensuing years to meet its share of the expense of the activities of the General Synod of the United Church of Christ; and further

"*VOTED*: That the General Council and its Executive Committee may use such portion of such funds and other income of the General Council as they shall deem appropriate for such purposes, except that they shall not so use any portion of a payment by a Conference, Convention or Church as to which a Conference or Convention shall advise that such portion of its respective payment may not be used for such purposes."

Thus a distinction is made between the money which may and which may not be used to meet the General Council's share of the expenses of the General Synod of the United Church of Christ. The statement of the Operating Funds and Unrestricted Reserves has been subdivided by means of Columns A and B to reflect these two categories.

\*Column A represents funds which may be used for all purposes of the General Council, including the share of the expense of the General Synod of the United Church of Christ which the General Council assumes from time to time.

†Column B represents funds which, by limitation by the donor, or otherwise, may not or will not be used for the General Council's share of the expense of the General Synod of the United Church of Christ.

NOTE A: The market value of the investments at December 31, 1959 were as follows:

40,880 Units of Participation in Common Investment Fund at \$1.277 per unit	\$ 52,203.76
Subscription Account (Note B)	70,000.00
2M Gramerey Park, Inc., Debentures (at cost)	2,002.00
50M Twelve Federal Intermediate Credit Banks @ 100	50,000.00
50M U.S.A. Treasury, Notes @ 98 10/32	49,156.25
<b>TOTAL</b>	<b>\$223,362.01</b>

NOTE B: The Subscription Account holds money deposited in the Common Investment Fund pending the next determination of the value of the Fund per Unit. Early in January 1960, when the December 31, 1959 value per Unit had been determined to be \$1.277, then the \$70,000 in the Subscription Account became 54,816 Units of Participation.

NOTE C: The additional 1¢ per capita or fellowship dues for 1957 and 1958, as requested by the General Council in Omaha in June 1956, was designated to meet the expenses of the meeting of the International Council in Hartford in July 1958. This amount was received from these dues in 1959 and has been carried to the reserve toward the next meeting of the International Congregational Council now scheduled for 1964.

NOTE D: Restricted Funds "A" consists of two bequests, the principal of which may not be used.

NOTE E: Standing Rule No. 7 subsequent to amendment at 1958 meeting of the General Council requires the Executive Committee to make adequate provision for the Travel Fund as first charge against the per capita or fellowship dues. The Executive Committee appropriated \$20,000 for this purpose in 1959.

NOTE F: The expenses of the Religious Ministry to Armed Forces consisted of:

Amounts expended currently	\$ 29,243.41
Less transferred from 1958 reserve	2,943.14
Balance	\$ 26,300.27
Reserved for 1960	699.73
<b>TOTAL (which balances amount received from C.C.S.C.)</b>	<b>\$ 27,000.00</b>

NOTE G: The expenses for International and Interdenominational purpose consist of:

Amounts expended currently	\$ 26,259.50
Less charged against a reserve	1,280.00
BALANCE	\$ 24,979.50
Plus appropriations which are transferred to other reserves	3,000.00
<b>TOTAL</b>	<b>\$ 27,979.50</b>

NOTE H: In the apportionment years 1955 to 1958, 9% of the apportionment was allocated to the General Council to be used for the payment of the notes, principal and interest, arising from the travel deficit at Claremont in 1952. Such amounts received from the 1958 apportionment subsequent to the last payment of the notes have been transferred to the Travel Fund. This amount is the final payment on the 1958 apportionment, actually received early in 1959. All the money received from this source has been used directly or indirectly for travel purposes.

NOTE I: This is after subtracting \$6,541.38 of contributions toward the operation of the Pastoral Records Office, opened in 1959.

NOTE J: The Unrestricted Funds held at January 1, 1959 were all received or accumulated prior to the organization of the United Church of Christ. The Executive Committee believes that they should not be used for the expenses of the General Synod of the United Church of Christ; and voted that the Units of Participation in which the funds were invested should be liquidated and the proceeds applied against the 1959 expenses of the General Council other than its share of the expense of the General Synod. The amounts so liquidated and applied were as follows:

## CONSTITUTION, BY-LAWS AND STANDING RULES OF THE GENERAL COUNCIL

*As Amended at the Meeting Held in Boston, Massachusetts  
June 24-30, 1958*

The Congregational Christian churches of the United States by delegates assembled, reserving all the rights and cherished memories of their historic past and affirming loyalty to the basic principles of unity and democracy in church polity, hereby set forth the principles of Christian fellowship immemorably held by these churches.

We hold sacred the freedom of the individual soul and the right of private judgment. We stand for the autonomy of the local church and its independence of ecclesiastical control. We cherish the fellowship of churches, united in district, state and national bodies for counsel and cooperation. Affirming these convictions we hold to the unity of the Church of Christ, and will unite with all its branches in fellowship and hearty cooperation; and we earnestly seek that the prayer of our Lord for the unity of his followers may be speedily answered.

We find in the Bible the supreme rule of faith and life, but recognize wide room for differences in interpretation. We therefore base our union upon the acceptance of Christianity as primarily a way of life and not upon uniformity of theological opinion or any uniform practice of ordinances.

United in these principles and in accordance with the Plan of Union adopted by their national bodies in 1929, the Congregational and Christian Churches in general council assembled agree in adopting the following constitution.

### CONSTITUTION

#### *I. Name*

The name of this body shall be The General Council of the Congregational Christian Churches of the United States until such time as a more inclusive name shall be chosen.

#### *II. Purpose*

The purpose of the General Council is to foster and express the substantial unity of the Congregational Christian Churches in faith, purpose, polity and work; to consult upon and devise measures and maintain agencies for the promotion of the common interests of the kingdom of God; to cooperate with any corporation or body under control of or affiliated with the Congregational or Christian churches or any of them; and to do and to promote the work of these churches in their national, international, and interdenominational relations, and in general so far as legally possible to perform on behalf of the united churches the various functions hitherto performed by the National Council for the Congregational churches and by the General Convention for the Christian churches, it being understood that where technical legal questions may be involved the action of the separate bodies shall be secured.

#### *III. Membership*

##### 1. VOTING MEMBERS.

(a) *Delegates-at-large.* Each State or District Conference or Convention shall be entitled to one delegate-at-large for the first full 5,000 members, and also one additional delegate-at-large for each successive 5,000 members or major fraction thereof.

Each State or District Conference or Convention shall determine by vote at an annual meeting the method of nomination and election of its own delegates-at-large.

(b) In addition, the superintendent, minister or chief executive of each Conference or Convention shall be a full delegate to the General Council meeting.

(c) *Association Delegates.* The number of delegates and alternates to be elected by each Association shall be determined in the following manner: Churches in the Association having a membership of 1,000 members or more shall each be entitled to have one delegate and alternate for each 1,000 members; the remaining membership of the Association, including the fractional portion of the membership of a church having more than 1,000 members, shall be entitled to have one delegate and alternate for each 1,000 members or major fraction thereof.

The manner of election of delegates and alternates shall be as follows: Each church having 1,000 members or more shall be invited to nominate to the Association the number of delegates and alternates to which it is entitled; each church having less than 1,000 members shall be invited to nominate to the Association one delegate and alternate; delegates and alternates in the number determined as stated above shall be elected by the Association from among the nominees thus nominated. Any Association having fewer than 1,000 members shall be entitled to one delegate. Delegates elected by the Association shall be certified by the Conference.

In the choice of delegates from the churches in the Association a pattern of rotation shall follow wherever possible so that no delegate will ordinarily serve in that capacity at successive General Council meetings; but in circumstances that make it appear that the Conference and Associations would be better represented by allowing a delegate to succeed himself such succession is permitted.

When an Association is entitled to five or more delegates not more than 60 percent of its delegation shall be ministers, and not more than 60 percent lay members. There shall be equitable representation of men and women.

Any licensed or ordained pastor regularly serving a Congregational Christian church and approved by the Association shall be eligible to be elected a delegate in the ministerial category.

If an Association fails to elect its full proportionate number of delegates, the Conference or Convention or its board of directors at a duly called meeting may fill vacancies in that Association's delegation according to the rules set forth above. If the Conference or Association does not have its full delegation seated when the General Council convenes, it shall if possible be completed by vote of the delegates of the Conference or Convention according to the rules set forth above. If no one of the proper classification is available from that Association then the vacancy may be filled from some other Association or classification in the Conference or Convention by vote of the delegates of the Conference or Convention present twelve hours thereafter.

In case a Conference has no Associations, it shall be allowed delegates to the number it would have if it were both a Conference and an Association.

The superintendent, minister or chief executive officer of each Conference or Convention who is present shall be the convener of his Conference or Convention delegation.

## STANDING RULES

1. **REPRESENTATION.** In the election of officers, committees, commissions and boards, the General Council and its nominating committee shall give due recognition to the need of adequate representation of the various constituencies.

2. **BALLOTS.** Nominations for the Executive Committee, elected officers, committees and commissions shall be presented on printed ballots providing space for other nominations and shall be in the hands of the delegates on the day before the vote is taken. A motion to instruct the casting of a single vote for any nominee shall be in order only upon the setting aside of this rule. Pending the declaration of the result of a ballot the order of the day may proceed.

(a) Except as otherwise specifically provided in the constitution or by-laws, a majority vote of all delegates present and voting at any meeting shall be necessary for the election of officers of the General Council.

(b) Except as otherwise specifically provided in the constitution or by-laws, all ques-

tions of parliamentary procedure relating to the General Council shall be governed by Robert's *Rules of Order*.

3. **TIME FOR BUSINESS.** Ordinarily the forenoon sessions of the General Council shall be reserved for business and reports, formal and inspirational addresses being placed in the afternoon and evening sessions.

4. **TIME LIMITATION.** No speaker upon any motion or resolution or upon any paper read shall occupy more than ten minutes without the unanimous consent of the General Council. In case of discussion approaching the time limit set for it, the Moderator may announce the limitations of speeches to less than ten minutes subject to the approval of the Council.

5. **ADVANCE REPORTS.** The Secretary shall cause to be printed and sent for general discussion to all Conferences by the first day of May in the year when the biennial meeting of the Council is to be held such reports as (a) may have been furnished him reasonably in advance of that time, and (b) have received the approval for length and/or form but not for essential content, of the Executive Committee, together with the program prepared for the Council meeting. The reports shall be presented from the platform and the time allowed for them shall be matters subject to the determination of the General Council on recommendation of the Business Committee.

6. **THE PER CAPITA OR FELLOWSHIP DUES.** At the beginning of each calendar year the General Council shall notify each Conference of the amount requested by the General Council for the per capita or fellowship dues. This request shall be determined on the basis of the total membership of each Conference respectively as listed in the latest published Yearbook, including absent members but excluding the membership of churches designated as inactive in the Yearbook.

7. **TRAVEL FUND.** The setting aside and maintenance of adequate reserves for the travel fund shall be the first charge against the per capita or fellowship dues contributed by the State and District Conferences to the General Council. The Travel Fund shall be distributed among delegates representing Associations and Conferences (a) on the basis of the number of miles from the residence of each delegate to the place of meeting and return by the most direct railway route, and (b) in the ratio of the amount paid for the two calendar years preceding a General Council meeting to the General Council as per capita or fellowship dues by the Conference to which the delegate belongs, to the amount requested by vote of the General Council from said conference.

No person shall share in the distribution of the Travel Fund unless he: (a) is a regularly seated delegate, (b) has been certified to the Credentials Committee before the close of the second day on which sessions of the Council are held, and (c) has attended the Council for more than half of its sessions.

8. **ECUMENICAL MEMBERS.** The American Unitarian Association and the General Convention of the Universalist Church may be represented in the General Council by two delegates each, under the terms of paragraph III. 3. of the Constitution.

9. **FRATERNAL DELEGATES AND INTERDENOMINATIONAL REPRESENTATIVES.** At each biennial meeting such fraternal delegates and interdenominational representatives as it may be deemed desirable to include as corresponding members shall be elected on nomination by the Nominating Committee. *Ad interim* the Executive Committee may make such elections.

10. **BONDS.** The Treasurer and others who handle money of the Council shall give bonds in such sums as the Executive Committee shall require.

11. **COMMISSIONS.**

(a) *Permanent Commissions.* No new permanent commissions shall be appointed until the matter has been referred to the Executive Committee which shall report whether in

its judgment a permanent commission is needed, or the work may be handled by some existing society, committee or commission. The decision shall rest with the General Council.

(b) *Temporary Commissions.* Temporary commissions may be set up from time to time as the General Council may determine, to report at the next meeting of the Council and not to continue beyond that meeting except as ordered by the Council. The Executive Committee at its option may advise the Council concerning the continuance of temporary commissions.

Each commission, unless otherwise provided, shall ordinarily consist of seven active and twenty corresponding members. The active members shall reside within a short distance of some center in order that they may have several meetings without too great an expenditure of time and money. The active list shall be determined at each biennial meeting. The removal of an active member from the vicinity of the place of meeting shall constitute a termination of his active membership and his transfer to the corresponding membership list. The Executive Committee may name a substitute in the active list. Main points at issue shall be presented to corresponding members by mail and final action taken after replies have been received and considered. Each corresponding member shall be notified of the meeting of the commission and such corresponding members as attend may vote.

Effort shall be made to have persons appointed upon commissions who have special contact and first-hand information in the subject under review. Except when its powers are defined by the General Council each commission shall pursue its plan under the general direction of the Executive Committee and shall report to the Executive Committee when requested. The Executive Committee may invite the chairmen of the commissions to meet with it in conference regarding the work of the commissions. In fields of executive activity where societies are at work commissions should not undertake executive responsibility, but should rather make wholly independent studies and report recommendations and advice for the executives of the Council, societies, state Conferences, and churches.

No commission shall incur expense except as authorized by the Council, or its Executive Committee.

Any member, in good standing, of a Congregational Christian church is eligible for services on any commission or *ad interim* committee.

Each commission shall choose its own chairman, but the first named member shall call the first meeting and act as temporary chairman during the organization of the commission.

At least one-third of the members of every continued commission shall be persons who have not been members of it for the preceding term, and at least one-third of the members of every commission shall be unordained persons, with the exception of the Commission on the Ministry, which shall include not less than three unordained members.

For purposes of nomination for positions on commissions and committees and for other positions connected with the Council, "ministers" shall be deemed to be those who have been ordained and "laymen" those who have not been ordained.

12. **MINISTERIAL STANDING AND ORDINATION.** The General Council recognizes the standards for the ministry approved by the National Council and the General Convention. It is desirable, where feasible, that ministers should be ordained, or their ordinations authorized, by State Conferences.

Full standing in the Congregational as well as in the other denomination involved is approved for ministers who have adequate reason to maintain a double relationship,

such as those who serve federated churches. This standing is not recommended for those whose relationship with the Congregational Christian fellowship would be purely formal. It is only for those who can express their loyalty to the fellowship through some regular channel of the Congregational Christian ministry approved by the local Association or Conference.

13. THE SECRETARY OF THE COUNCIL is instructed to refer actions of the Council affecting the several missionary societies to the respective meetings of the societies in connection with the meeting of the General Council at which such actions are taken, with specific recommendations to the societies that they hold adjourned meetings where necessary in order to act upon such references.

14. The appropriation of money or the modification of apportionment percentages should ordinarily be matters for action by the Executive Committee, and in any event should not be acted upon by the Council itself without prior reference to the Executive Committee for report upon its effect upon budgets and its relationship to other activities.

AMENDMENT. These rules may be amended by a two-thirds vote at any regular meeting, or temporarily suspended in any particular by unanimous consent of the members present.

243 Years of Service

## *An Experiment in Ecumenicity*

The Fund began the practice of this excellent virtue long before the word became popular and pronounceable.

Presbyterians started this—the first insurance company in America—but succeeded so well that it could not hide its light under a bushel.

Since 1850 the Presbyterian Ministers' Fund has been free from all denominational ties. All Protestant clergymen and seminarians enjoy its exceptional service. The major denominations are represented on the roll of Corporators. Some of the family belong to denominations whose names are unfamiliar.

The rolls of the Fund are honored in the deepest meaning of the word "Ecumenical" for the foreign missionary enjoys the service of the Fund—a truly "Universal Church," extending to the ends of the earth.

closer to the Scriptures  
than the RSV Bible*

The Revised Standard Version of the Bible is written in the immediacy and clarity of present-day English.

Archaic language... the meaning of which has changed over the years, has been brought into focus. And because it is based on recently discovered manuscripts... some more ancient than any previously known... the RSV is our most authentic Bible. It has been recommended for private devotions and public worship by leaders of forty major protestant denominations. Since its first printing in 1952, the RSV Bible has been widely accepted and used by millions of people... clergymen, scholars, educators and laymen alike.

Could there be any more fitting, more rewarding Bible for you, your congregation, your students?

The RSV Bible is available to you in great variety... over eighty editions. It comes with or without Concordance and References; in a children's edition; bound in buckram or leather; in pocket, pew or pulpit size. Prices range from \$3.25, to \$120 for the pulpit edition.

Andover Newton Theological School is an affiliation of Andover Theological Seminary, the oldest Congregational seminary in America (founded 1807) and The Newton Theological Institution (founded 1825). The School is located at Newton Centre within seven miles of Boston and Cambridge. The affiliation of the two schools in 1931 brought together their combined financial resources, libraries and faculties, providing excellent library facilities, and an outstanding faculty. These items, together with the location in greater Boston, make unusual advantages available for theological students interested in taking their professional study in New England.

Andover Newton Theological School students enjoy the privilege of taking work in Harvard open to theological students without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country, but from all over the world.

The cooperation of the churches in the vicinity offers many opportunities where, on the basis of supervised field work, students can make their way and at the same time gain valuable and practical experience. The School offers scholarship grants, as far as it is able, to students dependent upon self-support and seeks to aid in securing for them church positions in which service can be given in return. Special fellowships are awarded to exceptional students. Excellent housing facilities are available for married students and for single men and women.

The School grants three degrees: B.D., S.T.M., and M.R.E. The B.D. is granted ordinarily after three years of study and one year of internship; this degree is also granted after three years of study and the writing of a thesis. The M.R.E. is granted to students with similar preparation after two years' study. The S.T.M. is granted after at least a year of graduate study and the presentation of a satisfactory thesis. Both men and women students may be candidates for these degrees.

### BACHELOR OF DIVINITY COURSE

A three-year program of theological studies is offered leading to the B.D. degree. The A.B. degree from an accredited college, or an equivalent degree, is a pre-requisite.

### PRE-THEOLOGICAL COURSE

In cooperation with the College of Liberal Arts of the University of Maine, the Seminary offers a two-year pre-theological course to mature men with experience in other fields of endeavor and to a limited number of younger high school graduates. The curriculum consists of subjects recommended by the American Association of Theological Schools. After successful completion of the pre-theological course students are admitted to the three-year course of theological studies. A diploma is granted for satisfactory completion of this five-year program. Graduates may enter New England colleges with advanced standing for the A.B. degree, the granting of which qualifies them for the Seminary's B.D. degree.

Expenses are unusually low. Campus apartments are available for married students. There are many opportunities for service as student-pastors in neighboring churches. For catalog and further information, please address the President.

## SOUTHERN UNION COLLEGE AND MINISTER'S SCHOOL

Wadley, Alabama

Located in the midst of the largest cluster of Congregational Christian Churches in the Southeast Convention, Southern Union seeks to serve the young people of the area through its liberal arts program and the ministers through its Minister's School. Ministers may enroll as resident students and work toward the Bachelor of Philosophy Degree, which requires two years of liberal arts and two years of theological studies.

For those ministers who cannot leave their churches and attend as resident students, the College, in cooperation with the Southeast Convention, has a special in-service training program. Classes are held on the campus for one week each fall and spring, and courses begun at these sessions are continued by correspondence. Outstanding speakers, including Congregational Christian and other national leaders, supplement the college faculty for these convocations. Ministers receive certificates upon the satisfactory completion of this four-year course.

"Every worthy student is entitled to a college education" has been accepted as a theme at Southern Union. Hence, every possible effort is made to locate financial and working scholarships for all students who meet the admission requirements. The nickname "Little Berea" is both appreciated and is a challenge.

Southern Union endeavors to be a genuinely church-related institution. Although affiliated with the Congregational Christian Churches, it welcomes students of all denominations. In order to serve the churches of its area more effectively, Southern Union seeks constantly to improve its ever expanding program of training for religious vocations.

The College is now in the process of a ten-year expansion program which will result in both improving and enlarging its present facilities.

## CONGREGATIONAL CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational Christian ministers and churches. (Local ministers with limited ordination will be found at the end of this list.)

The following is a compilation of the lists furnished by the Conference registrars. Although not reported by a conference or convention, a few names are retained in this list to allow for completion of transfer of membership from one holding body to another. We endeavor to print the latest information and change of address, as given in this list, up to time of printing. Because the schedules are processed well in advance of this list, some of the addresses will not coincide with the location shown in the schedules.

Information regarding pastor will be found in the appropriate place in the state report; refer to state and place. If a pastor does not appear in the schedule of the state in which he lives, he may have made a recent change in pastorate. (See last minute revisions following local ministers.)

Beginning with this, the 1959, Year Book all ministers have been placed in one or another classification, and the year of ordination is now a part of this list. These classifications follows:

### Church-related ministers:
